Remark

We want to stress out that in case of conclusion of the buying contract the buyer of the property has to pay to Realogis Investment GmbH a commission of 3 % of the complete notarized purchase price plus VAT. The commission is earned with the conclusion of the buying contract and payable after receipt of invoice.

The information concerning the space are approximate values.

We kindly ask you for understanding that we have received all information in this proposal from the landlord and we assume no liability for totality and correctness.
